St. Paul Christian School September Newsletter

News From the Three-Year-Old

Class . . . To all of our 3 year olds and their families: Welcome to Preschool. What an exciting time! We have had so many new experiences in September. The children met their teachers and their new friends who they will spend the next year with. They are exploring their classrooms with new sights to see and new toys to play with. They are enjoying the playground and getting the chance to run around and have fun outside with friends. In the classroom we are talked this month about how to be a good friend and how God makes each of us special and unique. We enjoyed our first chapel together and are talking about our word of the month "love". In September we also learned about the season of fall and the color red. We enjoyed some classroom-made applesauce and did some fun crafts with apples and leaves. It is a great start to a year that will be filled with laughter, learning and love.

News From the Four-Year-Old

Class . . . To all of our 4 year-old families: Welcome!! A review of colors and shapes filled the beginning school days of the M-W-F 4-year-old classes! Squares, hearts, circles, stars, rectangles, diamonds, triangles and ovals were discovered everywhere! "Harry the Dirty Dog", by Gene Zion was a fun way for the students to start the color review with black and white. The colorful shades of the rainbow followed and brightened our days and brown finished out the unit. Colorful snacks and drinks, provided by the parents, added to the fun! Thank you to everyone who helped us celebrate our colors. We are also excited about the 4's Field Trip and celebrating the change of seasons with a trip to "Pumpkin Junction" in Ringoes, scheduled for October 10th. Fall is definitely here!!!

Beginnergarten Class News!!!

Welcome back to school...it has been a FABULOUS start to the 2016/2017 school year in the Beginnergarten classroom! Our first week was busy meeting new friends, learning the classroom routine and sharing our "Favorite Summer Memory". An introduction to classroom rules and expectations was a top priority as we read the story, "The Day a Monster Came to School"...A fun story about a monster that just had to learn some manners. Be sure to ask your Beginnergarten student about "Above the Line", "Below the Line" and "Bottom Line" behavior. In September our classroom lessons were focused on the weekly themes: "I am Special", "Apples" and "Leaves/Trees". An introduction to sight words, learning letter sounds, journal writing and a concentration on the numbers 1-10 rounded out our curriculum. Classroom jobs will be assigned this month, giving students a chance to learn some new responsibilities. Looking forward to a FUN year of LEARNING!

Enrichment Class News!!!

Welcome to Enrichment Class!! Wow! We are off to a great start. Our Tues./Thur. friends have been reviewing their shape and colors along with practicing our cutting skills. The students have created yummy shape pizzas and salads. Soon we will be mixing colors in fun ways and participating in science experiments. We are also looking forward to the fall and many great activities that come along with the season.

Upcoming Important Dates

- Sept. 30th—Oct. 19th KidStuff Fund Raiser
- October 24th—Pumpkin Carving Night with Dad 6pm
- October 24 & 26th—School Pictures
- October 29th—Trunk-or-Treat
- October 31st—Halloween Parade and Party

Parents, did you know you that you can participate in our "Trunk-or-Treat" event and host your own trunk? Just look for the sign-up sheet in the hallway and pick a theme. If you can't host a trunk, would you consider donating candy? We host over 400 families that day! If you have any questions, just see Erin Clemens or Robin Coffman.
